Annette,

The City of East Chicago has prepared the attached spreadsheet to track recent document requests as between EPA, ATSDR, the City of East Chicago and the East Chicago Housing Authority. The attached spreadsheet is updated as of yesterday. Given that this is the first version, there is a possibility that some previously requested items have not yet made it onto the list. Rather than wait to confirm that every request has been captured and knowing that this document will be updated from time to time, we are sending the attached request list noting that it is subject to change. Please let me know if EPA has any changes or updates.

Knowing that Mike Maxwell and Michael Berkoff are contributors to this list, I have taken the liberty of copying both on this message so that we can expedite the exchange of information.

The City is discussing EPA's request for input regarding Interim Risk Reduction Measures and we expect to be able to respond on this issue shortly.

Best regards,

Bryan
